

Having our say

We can tell adults what we like, don't like and how we are feeling

We can make decisions about our school

We can vote about things that are important to us

- * We have a school council

Doing the right thing

We understand the school rules and try our best to follow them

We understand what bullying is and work hard to make sure other children feel happy

We understand that rules are for everyone and that even adults must follow the law

Our values

Respecting others

We treat people how we would like to be treated ourselves

We try our best to be polite, kind and listen to others

We understand that people have different opinions and that this is fine, as long as we aren't saying hurtful things

Freedom & choices

We understand and respect our human rights

We can make choices about things that are important to us

We understand how to be responsible and help others
